Ndlovu Research Centre is currently looking for the following motivated candidates to work at Ndlovu Research Centre in Elandsdoorn, Moutse East, Limpopo:

## Enrolled Nurse(x5)

### Job Purpose:

Conduct clinical trials/studies according to ICH GCP, local regulations, study-specific protocols and NRC-specific processes

### Minimum requirements:

- Enrolled Nurse
- Valid registration with the South African Nursing Council
- Phlebotomy experience
- A valid ICH GCP certificate
- Primary Health Care certification and NIMART training will be advantageous
- Strong interest in clinical research and community development
- Good communication and organizational skills within a multi-disciplinary team
- Ability to multi-task and work under pressure.
- IT proficiency and good knowledge in using Microsoft Office
- Good administration skills, passionate about quality, detailed and meticulous in clinical record keeping
- Must be able to work effectively as part of a team and as a leader
- Fluent in English, Northern Sotho and Zulu

### Key Responsibilities:

- Perform clinical activities related to the trial protocol including clinical assessments, specimen collection, determination of clinical eligibility, and meticulous administration of study participant files.
- Conduct clinical interviews and administer study questionnaires.
- Completion of all required study-related documentation according to the study protocol, SOP and GCP requirements.
- Conduct regular quality control checks to ensure accuracy of clinical data collection and good data quality.
- Administer vaccinations to participants.

Candidates should submit their application and detailed CV to Granny Mogotlane, HR Administrator, at fax number 013 262 3498 or by e-mail to [recruitment@ndlovu.com](mailto:recruitment@ndlovu.com).
